VISION

MISSION

Choose to Shine (Moral Value Week)

“Education is the manifestation of perfection already in man...”

Swami Vivekananda

Having moral values and learning is just building a strong root for the body; having a healthy root will help in having healthy leaves and branches. Students today are so much into studies and games but somewhere moral teachings become vital as it gives them a proper guidance on how to act or react during various difficult situations. To make our students more focused on values moral week was conducted for Std: I-X.

“Moral Value Week” was conducted in the Auditorium by class teachers to provide an insight and mould the students into good future citizens. Rev. Sister Catherine and Rev Sister Anila, with the aim of providing an efficient environment for inculcating good habits, scrutinized the seminars and provided positive energy with their presence.

Carmel Convent School witnessed a week full of activities on the following topics.

SOFT SKILLS	SOCIAL SKILLS	COMMUNICATION	SEX EDUCATION
