# NEW BEGINNING (IX & X)

The new academic session for std IX and X resumed from 22nd February, 2022. On the first day of their New academic year, students with Vibrant energy and vigor marked the beginning of their 9th and 10th portions respectively. Sr. Catherine, the principal addressed them by narrating a story of 'The wise Hermit, the two young Boy and the little sparrow'. The story ended with a beautiful moral 'what we make of our lives in our choice – a choice we hold in our hands' which was aptly suited for our new batch of 9th & 10th. This simple story motivated the students to make a right choice as the ball is in their court.
