

# TRAINING PROGRAMME SENSES

The use of smart boards in classroom has revolutionised the way teachers teach and students learn. In order to effectively utilise smart boards our school organised a training programme for teachers on smart board usage. The training programme was conducted by SENSES, a leading provider of education technology solutions. It was well received by the teachers. Training was informative, engaging and practical. The training programme started with an introduction to smart boards and their features. The next module of the training programme focused on the software used to operate smartboards. Teachers were trained on various interactive activities that can be incorporated into lessons to make learning more engaging for students.

The teachers gained a better understanding of smart board technology and was able to apply the knowledge gained during the training in their classrooms. The programme resulted in improved lesson delivery, increased student engagement and improved learning outcomes.

# International Women's Day

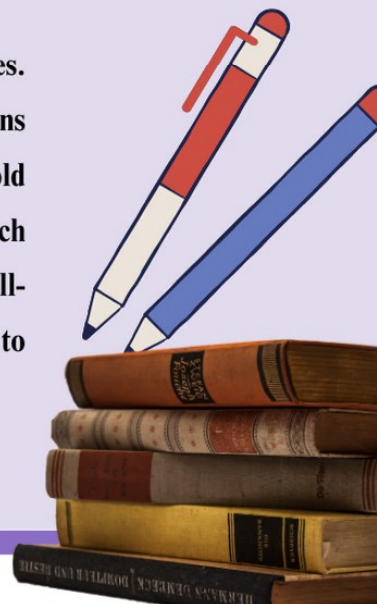

On 8th March, 2023, the staff of Carmel Convent School celebrated International Women's Day to recognise the achievements of women worldwide. The day was marked with various activities that aimed to honour the women in our lives and advocate for gender equality. The Women's Day celebration started with a greeting ceremony to our Provincial Rev Sr. Philo. Staff presented a bouquet of flowers as a token of appreciation for her leadership and guidance. The gathering was ended up by cake and chocolates distribution. The staff enjoyed the spirit of sisterhood. The day's events reminded us of the importance of gender equality and inspired us to continue to work towards an equal society.

## Semester II Examination

School is a student's second home and exams are a way to make them ready for future challenges. Examinations is the centre of studies and hard work. It is a motivating force to work. Examinations help us to find the most efficient individual among many. It discriminates between the genuine gold and the sparkling brass. The second semester examination was conducted in CCSB from 10th March to 25th March, 2023 and the First Assessment for IX and X started from 29th March, 2023 in a well-organised manner. The school has declared summer vacation from 26th March, 2023 for Nursery to Std VIII and from 12th April, 2023 for Std IX & X.

# Pre-Primary Teachers Training

A work shop on ECE for pre Primary teachers was organised by Carmel Convent ICSE School in coordination with Exceli Edutech on Saturday, 25th March, 2023. It was attended by all the teachers and coordinator of Pre primary.

The event started with welcome address by Mrs. Anupama, Pre-primary coordinator. Mrs. Akshita Nigam trained the teachers about introducing the Alphabets, Numbers, how to place numbers before and after along with different colors of legumes. All the teachers presented their learning outcomes through rhymes, skit and dumb charades. Mrs. Preetha proposed the vote of thanks. The purpose of workshop was to train the teachers to engage kids in learning through active participation and innovative ideas.
