3rd September, 2024, was a remarkable day at Carmel Convent School as we celebrated Nutrition Day with various programs and activities. This event aimed to promote awareness of the importance of nutrition and healthy living among the students and community.

National Nutrition Week is a week-long event observed in India every year from 1st September to 7th. It aims to raise awareness about the importance of nutrition for overall health and well-being. Key objectives of Nutrition Week include promoting healthy eating habits, addressing malnutrition, encouraging healthy food choices, and emphasizing the importance of physical activities.

To bring awareness about these objectives among our students, Carmel Convent School conducted various activities on that day. The school witnessed a memorable inauguration ceremony and logo unveiling by Dr. Jasmine, the guest of the day, Sr. Anila, the Manager, Sr. Catherine, the Principal, and Sr. Celine the Vice Principal.

Our students performed an exciting and symbolic tug of war, representing the power of healthy food over junk food. This served as a reminder to make healthier choices every day. To keep the energy flowing, our enthusiastic primary children performed a delightful action song that highlighted the fun side of staying active and healthy.

The school also hosted a very interactive and informative session by Dr. Jasmine, an ex-Carmelite and an enthusiastic healthcare professional dedicated to promoting wellness and healthy living. Her talk on the topic of correct food choices and the problems associated with junk food provided valuable insights and raised awareness among our young minds.

As part of the school's Nutrition Day celebration, we highlighted some of nature's most powerful healers: the Nature's Pharmacy. We arranged an exhibition of over 30 medicinal plants, with detailed descriptions of their names, medicinal values, and parts used. These plants have been used for centuries in traditional medicine to prevent and treat a wide range of ailments.

On this occasion, we organized a vibrant and creative classroom decoration competition, exhibition, and presentation on various topics. By participating in this event, our students showcased their creativity and deepened their understanding of the vital role that nutrition plays in overall health and well-being. The varying themes for each class highlighted the importance of balanced diets, the benefits of various nutrients, the dangers of unhealthy eating habits, and the importance of sustainability in food choices.

Dr. Jasmine inaugurated the theme-based classroom activities in Std IX B with a ribbon-cutting ceremony. Judges from various communities assessed each class and evaluated their performance and presentation. All the Carmelites enjoyed and actively participated in this day-long Nutrition Day celebration, making it a creative and innovative experience. CONGRATULATIONS

Until We Meet Again....

A heartfelt farewell ceremony was organized to honour Rev. Sr. Catherine and Rev. Sr. Anila, two beloved pillars of our school community, whose dedicated service and unwavering commitment have left an indelible mark on every heart. The programme began with a solemn prayer song, setting a tone of reverence and gratitude. This was followed by a warm and emotional welcome address by Ms. Shincy, who beautifully expressed the collective appreciation and the bittersweet feelings of parting. Teachers then stepped forward to share their cherished memories and personal experiences with the Sisters. Their reflections painted a picture of two women whose calm presence, cheerful spirits, and steadfast dedication enriched not only the academic environment but also the personal lives of staff and students alike. A touching poetic tribute brought tears to many eyes, followed by the presentation of thoughtful parting gifts as tokens of love and appreciation. The highlight of the ceremony was the farewell messages delivered by Rev. Sr. Catherine and Rev. Sr. Anila themselves—messages filled with love, grace, and inspiration. A soulful musical send-off further deepened the emotional atmosphere, and the event concluded with a heartfelt vote of thanks, offered in gratitude for the Sisters' invaluable contributions. Though their official duties may now come to a close, Rev. Sr. Catherine and Rev. Sr. Anila will forever remain woven into the very fabric of our school's legacy, their presence etched in the hearts of all who had the privilege to know them.

But those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint. Isaiah 40:31
